## Professional experience

Date	Location	Company	Position	Description
Nov 2004 - Current	Turin - Italy	The Development Alchemists	Co-Director	Owner and Director of a training and organisational development consultancy working in a range of UN and EU projects and within the public, private and civil society.
Jan - 2002 - Nov 2004	Guernsey Channel Islands	States of Guernsey Government	Education Policy Advisor (IT)& Deputy Head	I was employed to support the States of Guernsey policy advice in the area of IT in education and building electronic learning communities. I also held a senior post of Deputy Head of a Senior School. Building community based partnerships and working to integrate the school into the local community
Sept 1999 - Dec 2002  Prior to this post, I had a variety of teaching posts in the UK(1987 -1999)	England	Woodlands Community School	Director of Information & Communications	Assistant Head Teacher with a portfolio of Information technology and communications. A key part of this role was the day to day management of a large staff group and budget (multi-disciplinary teams of teaching and technical staff) and building partnerships with other schools and the community. Providing training for staff in the integration and use of technology in teaching and I provided mentoring to new teachers for PGCE students at the University of East Anglia.
